A few days ago one of the owners of the ma- Previously acknowledged..... A few days ago one of the owners of the machine discovered that his valuable team of horses had been mutilated in a most horrible manner. Suspicion at once fell upon tirandt.

A son of the owner of the horses claimed to have evidence sufficient to convict lirandt, but since the day following the mutilation of the horses he has been missing. The night after his disappearance his mother dreamed that Brandt informed her he had murdered her son and buried him in a wheat field.

In relating this dream to the members of her family an older son claimed to have had precisely the same dream. Yesterday another member of the family, who lives at a distance, wrote home that a fortune-teller informed him his brother had been murdered and buried in a wheat field.

Bohoolboys Charged with Trying to Wreck Two Trains.

QUINCY, Mich., Oct. 9 .- An attempt was made to wreck the fast mail train, No 11; also the westibule train, No. 12, of the Lake Shore and Michigan Southern Road about a mile east of

train dashed into them.

They were removed and about an hour later No. 12, the through passenger train east, was stopped by the same obstructions, which had been replaced in the interval. No damage was done to either train. to either train.

Four State School boys were arrested near the place soon after. They protested their innocence, but claim to have seen parties place the obstruction.

This is the third attempt to ditch a train at this place.

HER CREW OF EIGHT DROWNED. Dereilot Fishing Boat Picked Up on

Lake Superior.

DEER PARK, Mich., Oct. 9 .- A disaster on Lake Superior, in which not less than eight lives were lost, came to light yesterday, when a drift-ing boat was picked up by the crew of the Muskallonge Life-Saving Stattion.
The craft was found to be a fishing boat. The craft was found to be a fishing boat, which left Whitefish Point Oct. 6 for Au Trains, one hundred miles west. There were on board a crew of at least five men and W. H. Carpenter, his wife and child. It is reported that Carpenter had two children aboard, but this rumor was not verified. No one was found on the wrecked boat, and there is not the slightest encouragement to believe that any escaped drowning in the gale that swept Lake Superior the night following the day on which the fishing boat left Whitefish Bay.
